

# U3A CROYDON BULLETIN - WEEK 32

Dear Members,

Wasn't it a windy weekend! We thought we had overweight possums scampering about our roof but discovered it was some chairs being buffeted about on our porch ... what a relief.

Last term we advised that enrolments for next year would be deferred until January but after some discussion, the committee has decided that enrolment for 2021 classes will now commence on **Mon 7th December** and NOT in January as previously stated. There will be more information about the enrolment process coming soon.

I also want to let you know, that after much deliberation, I have decided to stand down from the role of Course Coordinator. My family circumstances have changed (happy changes I hasten to add) so I need to give my time to helping them. I have held the role for four years and in that time I've made some lovely friends and enjoyed countless interactions with tutors and members which has definitely enriched my life. My heartfelt thanks to committee members, past and present, for your drive, support and friendship. I will continue to produce the bulletin and hopefully get back to a newsletter one day. Please contact Merv Amos on committee for any information or help regarding new or existing courses.

The lovely seaside view was painted by Riet Taal and the Melbourne Cup Trivia supplied by the Australian History class. The trivia is part of a much longer article with some fascinating information about the Cup and racing so if you are interested, just email me and I can send it to you. I hope you pick a winner next Tuesday.

If you would like to submit an item for the bulletin, please write to: [newsletter@u3acroydon.org.au](mailto:newsletter@u3acroydon.org.au)

Take care, keep busy and keep in touch with friends and family. Ingrid

## KEEPING BUSY IN LOCKDOWN

I would like to share some lockdown activities. A few of us ladies from the art class have formed a lockdown art club run on similar lines to a book club. Instead of a book we take it in turns to nominate a subject to paint every three weeks and then share it on line. It has kept us engaged in our art and connected. Subjects include landscapes, abstracts, period or person from history and many more. I have created my own small Spoonville village which has been enjoyed by some of the local children. Jan C
